DETAILED ACTION

Allowable Subject Matter

1. **Claims 1-19** are allowed.
2. The following is an examiner's statement of reasons for allowance: **Claims 1-19** are considered allowable because the prior art of record neither anticipates nor renders obvious the limitations of the base claims including an electrical power monitoring or metering equipment with a pair of Ethernet communication ports mounted to an electrical enclosure where one Ethernet port is accessible from the outside of the enclosure and the other Ethernet communication port is inaccessible from the outside of the enclosure.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
